

Henry Anderson III Graduate Student Award in Environmental, Occupational and Public Health

The Henry Anderson III Graduate Student Award in Environmental, Occupational and Public Health from the Global Health Institute (GHI) supports UW-Madison graduate students interested in pursuing research in the area of environmental, occupational and global health.

Preference will be given to graduate students in the “Allied Health” professions (SMPH, Pharmacy, Nursing, Vet Med), those pursuing other global environmental public health projects, such as dual degree MD-MPH or DVM-MPH, and Pathway of Distinction students doing global environmental public health projects. Students pursuing the Graduate/Professional/Capstone Certificate in Global Health are also eligible to apply.

GHI will make awards of up to \$1,500 for a duration of one year. The award may be used for project supplies and expenses, including travel, but not tuition, program fees, salaries or stipends.

Proposal Requirements

The proposal should clearly address:

- How the project will advance the vision and mission of GHI and the applicant’s project/research
- Why GHI funding is essential for the project/research
- What other sources of funding the applicant is pursuing
- Budgets must be reviewed for compliance with both UW System and the applicant’s divisional travel and financial policies by the appropriate grants administrator and/or financial supervisor in the applicant’s department or division prior to submitting the final application. It is the applicant’s responsibility to know and comply with UW System and his or her own divisional policies and procedures, when applicable.

The application deadline for all proposals is 11:59 p.m. Monday, **January 29, 2018**.

To Apply
