International Clerkship Packet

Name of Participant

Please turn in all required documents to the Global Health Institute (GHI) office, 4270B HSLC, at least eight weeks prior to departure. Keep these checklists (pp. 1-2) to ensure that you have met all requirements. Please note that all UW-System students studying abroad are required to have Cultural Insurance Services International (CISI) insurance. This should be purchased from Betsy Teigland in the GHI office. If you will be applying for financial aid, please include that form with the required documents. It is your responsibility to contact Darren Martin (darren.martin@wisc.edu) to make arrangements to receive your financial aid.

Visit the State Department https://travel.state.gov/content/passports/en/alertswarnings.html and CDC www.cdc.gov/travel websites for updates on the country where you will be traveling. If your site is in a country on the State Department Warning List, please contact the Global Health Institute as soon as possible. This requires a special approval process, and the required documents must be submitted at least twelve weeks prior to your anticipated departure. (Please see our website for more information: http://ghi.wisc.edu/international-clerkship/.)

PRE-TRIP CHECKLIST

__ Enter required registration info on OASIS (882-937) including “Away” info

__ Complete Orientation on Learn@UW

After reviewing CDC & U.S. State Dept. website, submit hard copies of the following to GHI:

Application/Travel Forms:
__ Approval Form
__ Student Agreement Form
__ Approval Letter from Field Site Preceptor/Organization
__ Contact Information*
__ CISI (REQUIRED by the UW-System)*
__ Health Self-Assessment
__ Statement of Responsibility
__ Copy of airline itinerary
__ Copy of passport photo/signature page
__ Financial Aid (option for eligible PA and MD students only)

Submit to Learn@UW dropbox:

Self Study Modules**:
- Module 1 (personal statement)
- Module 2 (Geo-journal)
- Module 3 (Travel Policies)

* Students will receive an Emergency Contact card from the GHI office; a CISI insurance card will be emailed following enrollment. These must be carried throughout the field experience. In addition, nametags showing UW affiliation will be provided and should be worn at all times while working.

**For a more detailed description of module requirements, please see the Self Study Guide posted on Learn@UW.
POST-TRIP CHECKLIST

In order to receive credit for this rotation, you must submit the following Global Health learning portfolio after the elective:

* Submit to Global Health Institute:
  
  ___ Clinical evaluation of the student completed by site director (*submit original document to the Global Health Institute-* recommended to be hand carried back)

* Submit to Learn@UW dropbox:

  ___ Summary of Activities
  ___ Field Journal
  ___ Self Study Module; select one from modules 4-7**
  ___ Student’s evaluation of the site

Please note that Student Services has a separate Site Evaluation that is required to be submitted on OASIS.

**For a more detailed description of module requirements, please see the Self Study Guide posted on Learn@UW.
University of Wisconsin School of Medicine and Public Health Extramural Elective Clerkship in International Health Approval Form

This form must be submitted at least 8 weeks prior to start of an international health elective. Attach a copy of your letter of acceptance from the elective site and the Student Agreement for International Health Electives form. Return to Betsy Teigland, Global Health Institute, 4270B, Health Sciences Learning Center, 750 Highland Ave., Madison, WI 53705.

Student Agreement for UW Extramural Elective Clerkship in International Health

Goals
The UW-Madison Global Health Institute (GHI) is committed to preparing students for participation in international health electives. Goals of international health electives include providing students with opportunities to:

• Actively participate in the health care system of another country
• Develop knowledge and respect for another culture, language and health practices
• Develop awareness of social, economic and political factors in health and disease
• Recognize, accept, and be able to work within the limits of available resources

Guidelines
While most international electives are uneventful, in some cases unforeseen challenges present themselves to students. These include problems related to unfamiliar cultures and languages, political and social instability, crime, infectious diseases, and other health hazards that may not be common in the U.S. To ensure that participants understand the risks involved in study abroad and to maximize the educational value of these experiences, UW-Madison requires that students enrolled in a credit-bearing elective outside the U.S. comply with the following policies, procedures and guidelines. Adherence is the responsibility of the individual student and not the University of Wisconsin-Madison School of Medicine and Public Health. The GHI office at 4270B HSLC is available to assist students with these steps.

A. Meet with international health programs faculty/staff to discuss educational objectives, review elective guidelines and application process, verify academic eligibility, verify that clinical clerkships in Primary Care, Medicine, Pediatrics, and OB/GYN have been completed, obtain site information, and identify resources for advising and orientation. Students are expected to maintain contact with the GHI office throughout the process of arranging an international health elective.

B. Gather information concerning any political problems, safety concerns, or health hazards by consulting the US State Department and Centers for Disease Control and Prevention (CDC) websites (see front page of packet), and by consulting the sponsoring site. SMPH travel warning policy does not recommend travel to countries on the U.S. State Department Warning List, but will consider exemptions on a limited basis with at least 4 months lead-time. For the warning list travel policy and exemption form, go to http://ghi.wisc.edu/international-clerkship/.

C. Submit a letter from the in-country physician supervisor confirming the dates of elective, and including a description of educational activities, on-site supervision, financial obligations and housing arrangements. Obtain elective course approval and complete registration.

D. Complete the required International Health Elective orientation and the self-directed study modules on Learn@UW.

E. Obtain medical travel advice and immunizations appropriate for host country.

F. Investigate visa and other entrance requirements that may be enforced in the host country. Register with the U.S. Embassy on the State Department website prior to departure.

G. Purchase UW-System required Cultural Insurance Services International (CISI) medical/evacuation insurance policy to cover the duration of the elective. This insurance can be purchased in the GHI office.

H. Designate persons both at the elective site and in the U.S. who may be contacted in the event of an emergency. This includes giving them contact information when traveling outside of the primary elective site.

I. Adhere to laws of the host country and comply with standards of conduct set by the program site.

J. Sign and submit the University of Wisconsin System Uniform Statement of Responsibility, Release, and Authorization to participate in study abroad and exchange programs.

K. Submit an evaluation of student academic performance and grade completed by the site preceptor and a student site evaluation to the GHI office; submit a site evaluation on OASIS.

I have read and understand the above goals and guidelines.

Pre- or post- elective travel plans:
This form is to be completed prior to your travel. It is designed to 1) provide you with information about steps you can take to prepare for international travel and 2) help UW-Madison staff members be of maximum assistance during an emergency situation. Mild physical or psychological conditions may become more serious under the stresses of life while abroad. While it is important the program is aware of any medical or emotional conditions, past or current, which might affect you during your travel, the University is not responsible for assuring your medical well-being and safety while abroad. The information provided on this form will be shared only with appropriate persons and does not affect your admission into any program or scheduled travel.

Recommended steps to prepare for international travel:

1. Consult with your personal medical and/or mental health provider for pre-travel planning, especially if you have any ongoing conditions. Work with your provider to develop plans in the event any conditions worsen. Make arrangements for any prescription medications, medical supplies, and medical care you will need. A physical examination and clearance by a medical provider may be required by certain countries for entry into the country or to be granted a visa.

2. Visit a specialized travel medicine provider and receive required or recommended preventive immunizations and medications (such as malaria prophylaxis or for traveler's diarrhea) for your area of travel. Make these arrangements as quickly as possible once travel is planned as many needed immunizations should be initiated several weeks before travel. In the event a travel health provider is unavailable, participants should seek travel advice from their personal health care provider.

3. Have recent dental check-up and address any potential problems.

4. Educate yourself about health and safety in your travel destination. Information is available through your program organizer or at [http://www.studyabroad.wisc.edu/general.html](http://www.studyabroad.wisc.edu/general.html) and [http://wwwnc.cdc.gov/travel/](http://wwwnc.cdc.gov/travel/).

5. Be enrolled in Cultural Insurance Services International (CISI) Health Insurance as required by the Board of Regents for University of Wisconsin students studying/traveling abroad under a UW sponsored program. Students should also check with their personal health insurance provider for more information about obtaining needed prescriptions in advance, payment for travel vaccines and medications, and coverage while abroad. More information is available at [http://www.bussvc.wisc.edu/risk_mgt/study_abroad.html](http://www.bussvc.wisc.edu/risk_mgt/study_abroad.html).

6. **Complete and return the UW-Madison Health Information Form.** The ability of UW-Madison program organizers to assist you in case of an emergency may be compromised if you do not report a medical or mental health condition during the planning process.

If you have any concerns about the specific health and safety risks you may encounter while abroad, contact your program organizers as soon as possible. They will direct you to more specific sources of information about which local support services you can reasonably expect to find while out of the country. Some study abroad sites may not be able to accommodate all reported individual needs or circumstances.

STUDENT ID ____________________________ E-MAIL ____________________________

PROGRAM ______________________________ DATES _____________________________

1. Do you have a current or past medical problem in the following areas?
   - Severe Allergic Reaction
   - Anxiety
   - Asthma
   - Arthritis
   - High Blood Pressure
   - Bleeding or other blood disease
   - Chronic use of blood thinning medication
   - Depression
   - Diabetes
   - Eating disorder
   - Severe or disabling
   - Gastrointestinal disease
   - Abnormal Heart Rhythm
   - Heart problems
   - Weakened Immune System
   - History of kidney stones
   - Decreased kidney function
   - Current pregnancy
   - Seizures
   - Thyroid problems

   Any other medical condition for which you take medication regularly or are/were under regular care. Please describe.

2. If you have answered yes to any of the areas above, please explain. Describe any ongoing treatment, limitations/restrictions or emergency actions which will/may be required during your travel.

3. Please list any medications you are currently taking or will be bringing with you during travel.

4. Please list any allergies to medicine, foods, insects or environmental materials such as pollen or latex.

5. Please indicate what health preparations you have completed or are planning to receive for your trip as appropriate.
   - ___ Travel medicine clinic visit
   - ___ Personal health care provider visit
   - ___ Prescription for malaria prophylaxis
   - ___ Prescription for traveler’s diarrhea
   - ___ Other preventive medications

6. Is there any additional information you would like your program organizers to be aware of while you are abroad? (If yes, please explain)

I certify that all responses on this form are true and accurate, and complete. I will notify my program organizers of any relevant changes in my health that occur prior to the start of the program.

Date of Departure: _________________________

Date of Return: _________________________

In order to enroll, please submit this completed form, along with the current premium.
Count departure and arrival days (touch down in U.S.) to determine correct premium rate.
The one week rate is for a program of **1-8 days and is $9.00**.
The two week rate is for a program of **9-15 days and is $17.00**.
The three week rate is for a program of **16-22 days and is $25.00**.
For programs of **greater than 22 days please use the monthly rate of $33.00 times the number of months needed. Weekly rates cannot be applied to programs longer than 22 days.** Please go to the Risk Management office website for information on dependent/spouse coverage, [http://www.bussvc.wisc.edu/risk_mgt/international%20health%20insurance.html](http://www.bussvc.wisc.edu/risk_mgt/international%20health%20insurance.html).

* **Payment for entire trip must be made prior to departure. We do not accept cash, credit or debit cards. CHECK OR MONEY ORDER ONLY. Please make checks payable to the UW Board of Regents.**

Please submit your application and premium to the Global Health Institute office (4270B HSLC, 750 Highland Ave. 53705). We will need to have your flight itinerary on file in order to enroll you in CISI.

We ask that forms be in our office at least **8+ weeks** prior to departure.
UNIVERSITY OF WISCONSIN-MADISON
Statement of Responsibility, Release, Authorization and
Acknowledgement of Risks to participate in Study Abroad and
Exchange Programs
Revised February 2002

I hereby indicate my desire to participate in a study abroad/exchange program in
______________ ________________, sponsored by the University of Wisconsin-
Madison during the period of __________ to __________. My participation in this
program is completely voluntary.

If and/or when I am offered and accept a place in the University's program, I:

1. assume full legal and financial responsibility for my participation in the program.

2. will be responsible for full program costs (whether already paid or not) as stated in the
withdrawal and refund schedule if I withdraw (or am required to withdraw) from the
program for any reason once the program has commenced, unless otherwise stated
in the program refund policy.

3. grant the University, its employees, agents and representatives the authority to act in
any attempt to safeguard and preserve my health or safety during my participation in
the program including authorizing medical treatment on my behalf and at my
expense and returning me to the United States at my own expense for medical
treatment or in case of an emergency.

4. realize that accident and health insurance, as well as insurance for medical
evacuation and repatriation, which are applicable inside and outside of the United
States is required for my participation in the program. While my fee for the program
includes limited accident and health insurance as well as limited insurance for
medical evacuation for the duration of the program while I am overseas, I
acknowledge that I am ultimately responsible for obtaining insurance sufficient for my
needs while overseas and for treatment in the event I return to the US for medical
treatment during or after the program. I understand that the University encourages me
to have appropriate insurance coverage for the entire time I am abroad.

5. agree to conform to all applicable policies, rules, regulations and standards of
conduct as established by the University, any sponsoring institution and/or foreign
affiliates, as well as program requirements, to insure the best interest, harmony,
comfort and welfare of the program.

6. accept termination of my participation in the program by the University with no refund
of fees and accept responsibility for transportation costs home if I fail to maintain
acceptable standards of conduct as established by the University, the sponsoring
institution and/or foreign affiliates.
7. understand that the University reserves the right to make changes to the program at any time and for any reason, with or without notice, and that the University shall not be liable for any loss whatsoever to program participants as a result of such changes.

8. agree voluntarily and without reservation to indemnify and hold harmless the University, Board of Regents of the University of Wisconsin System (Board of Regents) and their respective officers, employees, and agents from any and all liability, loss, damages, costs, or expenses (including attorney’s fees) which do not arise out of the negligent acts or omission of an officer, employee, and agent of the University and/or Board of Regents while acting within the scope of their employment or agency, as a result of my participation in the program, including any travel incident thereto.

9. understand that, although the university has made every reasonable effort to assure your safety while participating in this study abroad program, there are unavoidable risks in travel and study overseas that may not ordinarily be encountered at home or on campus. Those risks include, but may not be limited to:
   • traveling to and within, and returning from, one or more foreign countries;
   • foreign political, legal, social and economic conditions;
   • different standards of civil defense procedures, design, safety and maintenance of buildings, public places and conveyances;
   • local medical and emergency services;
   • local weather and environmental conditions.

I have read the foregoing entire document and have had the opportunity to ask questions about it. I hereby acknowledge that I understand it. Knowing the risks described, and in consideration of being permitted to participate in the program, I agree, on behalf of my family, heirs and personal representatives, to assume all the risks and responsibilities surrounding my participation in the program.

Signature: ___________________________ Date: ___________________________

☐ Scanned to Darren Martin
Please evaluate the performance of the student in the following competencies using the anchors described below:

**Advanced:** Highly commendable performance, top 5-10% of students evaluated

**Competent:** Capable; at expected performance for level

**Needs Improvement:** Demonstrates initial growth; opportunity for improvement

**Unacceptable:** Needs Attention

### Patient Care:
Students are expected to provide patient care that is compassionate, appropriate, and effective for the treatment of health problems and the promotion of health.

<table>
<thead>
<tr>
<th>Patient Care</th>
<th>Advanced</th>
<th>Competent</th>
<th>Needs Improvement</th>
<th>Unacceptable: Needs Attention</th>
