COMMUNITY DEVELOPMENT IN ETHIOPIA:
PROJECT MERCY’S HOLISTIC APPROACH TO ALLEVIATING POVERTY

with Bete Demeke
President and Board Vice-Chairman, Project Mercy, Inc.

Project Mercy works holistically to eliminate poverty in rural communities by linking landscapes, livestock, and livelihoods. Demeke will discuss Project Mercy’s efforts in Ethiopia to establish integrated development programs that engage communities to eradicate poverty. The programs include education, health care, adult literacy and vocational training, farming, cattle-breeding, infrastructure development and more.
