

2018 Rankin-Skatrud Memorial Lecture

The Death of Evidence: Implications for Epidemiology

Presented by:

**Jonathan M. Samet,
M.D. M.S.**

Dean and Professor of Epidemiology
Colorado School of Public Health

**Monday, April 23rd, 2018
12:00 – 1:00 pm**

1335 Health Sciences Learning Center

The annual Rankin-Skatrud Professorship and Memorial Lecture honors the contributions of two of the University of Wisconsin's most distinguished professors and leaders. This Lectureship was established in 1983 and brings scholars in epidemiology, health policy, pulmonary physiology and medicine, and preventive medicine to UW.
