2025 HENRY ANDERSON III GRADUATE AWARD APPLICATIONS NOW OPEN!

STORY: 2024 HENRY ANDERSON III GRADUATE AWARD EMPOWERS MEDICAL STUDENT JONATHAN BRYAN TO EXPLORE SOCIAL DETERMINANTS OF HEALTH IN MEDELLÍN, COLOMBIA

(Photo courtesy J. Bryan) After graduating from the [University of Wisconsin-Madison](#) in Winter 2023, with his Bachelor of Science in Neurobiology, Molecular and Cell Biology, and Psychology, Jonathan Bryan decided to apply for the [Henry Anderson III Graduate Award](#) from the [Global Health Institute](#), which supports UW–Madison graduate or health professional students interested in pursuing research in the areas of environmental and occupational public health—that is the study of the role of environmental or occupational factors as determinants of health.

While Bryan looks toward his exciting future, he expresses his gratitude for being a recipient of the 2024 Henry Anderson III Graduate Award and the ways in which it enhanced his global health experience. We look forward to seeing where his global health path takes him. [Click here to read his full story.](#)

The Henry Anderson III Graduate Award Application is now open! Applications will be accepted through March 2, at 11:59pm (CST). [Click here to learn more and apply.](#)

NOW-FEB 9: Wisconsin Welcome is a multi-week celebration that invites incoming freshmen and transfer students to discover Madison, meet fellow Badgers, and find their campus community. The Wisconsin Welcome will take place from **January 17 to February 9** and will include events from across campus. [Click here to learn more.](#)

22: Join on **Wednesday, January 22, 2025, at 12pm CST**, for a panel on the Department of the Interior's (DOI) role in advancing the One Health initiative. This session will cover the DOI's mission, vision, and authorities, along with a brief introduction to its Bureaus and Offices (e.g. U.S. National Park Service, U.S. Fish and Wildlife Services). Discussions on how the DOI supports the National One Health Framework, and will explore invasive species management, highlighting how the National Invasive Species Council's efforts align with the principles of One Health by addressing the impacts of invasive species on ecosystems, human health, and wildlife. [Click here to register.](#)

20-23: CUGH 2025: Innovating and Implementing in Global Health for a Sustainable Future. In Atlanta, Georgia, from **February 20-23**, join over 1,800 innovators, leaders, scientists, students and implementers, as they come together to address some of the world's most pressing challenges. The conference theme, 'Innovating and Implementing in Global Health for a Sustainable Future', embraces many issues important to global health and development. Individuals from academia, NGOs, government, INGOs and the private sector, across a range of biomedical and non-biomedical disciplines are encouraged to participate in the conferences. Also, don't forget to attend the Pre-Conference Workshops on **February 20**. They are free and open to all. Registration will open in January. Attendees at CUGH2025 will be inspired and challenged to learn new skills, gain new contacts and find ways to improve the wellbeing of people and the planet. [Click here to learn more.](#)

25: Mark your calendar for GHI's February Global Health Tuesday Webinar: Women in Science, **February 25, 9am**. Kristin Long, Assistant Professor of Surgery, with clinical practice in Endocrine Surgery, UW–Madison (and GHI Advisory Committee Member), moderates a timely conversation on women in science. Long leads the discussion with Caroline Zellmer, Senior Program Manager, Foresite Labs, and Zuzana Burivalova, Assistant Professor, Department of Forest & Wildlife Ecology, and the Nelson Institute for Environmental Studies, UW–Madison. [Click here to register.](#)

MARCH

11: Mark your calendar for GHI's March Global Health Tuesday Webinar: Connecting Health Through Impactful Storytelling, **March 11, 10am (note the hour-later start time)**. Sara McKinnon, Professor, Rhetoric, Politics & Culture, Department of Communication Arts; Director, Latin American, Caribbean and Iberian Studies Program; Co-chair of the Human Rights Program (and GHI Advisory Committee Member), UW–Madison, moderates a timely discussion on impactful health storytelling with panelists Riley Ray Griffin, Reporter, Bloomberg News; Apoorva Mandavilli, Science and Global Health Reporter, New York Times; and Jamie Hansen, Stanford Global Health Communications Manager. [Click here to register.](#)

19-20: Showcase your work at the Data Science Research Bazaar, **Wednesday and Thursday, March 19-20**, at the Discovery Building. Researchers, students and professionals at all levels of expertise are invited to apply to showcase their work. Proposals are sought for lightning talks, posters, workshops and interactive discussions. While this year's theme focuses on artificial intelligence and machine learning in research, submissions from all areas of data science and computational work are encouraged. [Learn more and apply by Jan 15.](#)

APRIL

7: The Wisconsin Idea Conference is a one-day event on **Monday, April 7** that brings together academics, service providers, community leaders, students, and others interested in fostering partnerships that advance meaningful impacts within the community and state. This year's conference will focus on the concept of *Exchange* – together, attendees explore ways to collaborate for positive change in nearby communities and across the state, build new relationships, and exchange ideas and resources to innovate solutions for the challenges facing nearby communities. [Click here to learn more.](#) If interested, [click here to register.](#)

8: Mark your calendars for Tuesday, April 8th, 4-8pm as UW–Madison's Global Health Institute (GHI), School of Medicine and Public Health (SMPH) Office of Global Health, and CALS Global at the College of Agricultural and Life Sciences (CALS) invite you to attend the 20th Annual Global Health Symposium: **Why Global Health Networks Matter**. The event will take place at the Discovery Building and features a keynote speaker, posters from across campus showcasing global health projects, and panel discussing **White-nose Syndrome in Bats Connection to One Health**. More information on

8-9: Save the date to join the University of Wisconsin Organic Collaborative for Harvest of Ideas 2.0 “Organics as a Solution to Global Challenges.” The event will be held at the Pyle Center on **Tuesday and Wednesday, April 8 and 9**. This event will bring together domestic and international researchers, farmers, and policy experts to discuss ways to advance organic priorities. [Information about registration will be shared when available.](#)

10-12: The 2025 WGSC Spring Conference, "*Embodying Feminism: Calling In, Calling Out, Calling to Action*" will take place in-person on **Thursday to Saturday, April 10-12**. Join for a keynote and several concurrent sessions with high-level panelists. [Click here to learn more.](#)

23-24: The theme for the 7th convening and two day, in-person, *Our City of Nations* conference at the [Milwaukee School](#)

DEADLINES ▼

ROLLING: Applications for the UW Distinguished Research Fellows Program are open **now through Wednesday, April 30**. The UW Distinguished Research Fellows Program is designed to support outstanding postdoctoral trainees in interdisciplinary research areas related to [RISE-AI](#), [RISE-THRIVE](#), and [RISE-EARTH](#). The intent of this program is to support exceptional emerging scholars in collaborative research that spans two distinct units (schools, colleges and centers) at UW–Madison, and which synergizes distinct disciplinary approaches. [Click here to learn more and apply.](#)

Wisconsin Intensive Summer Language Institutes
UNIVERSITY OF WISCONSIN-MADISON

[Learn more at wisli.wisc.edu](#)

The Wisconsin Intensive Summer Language Institutes (WISLI) hosts [seven summer institutes](#) that offer high-quality, proficiency-based courses for [30+ languages](#) for undergraduates, graduate students, and adult learners. Applications for CESSI are due **February 1**, and applications for the remaining summer institutes are due **March 15**. [Click here to learn more and apply.](#)

JANUARY

21: The Stanford Center for Innovation in Global Health, in partnership with Stanford Journalism and CNN Health, seeks medical trainees with a passion for global health and storytelling to apply for the [2025-26 Global Health Media Fellowship](#). This fellowship helps medical students develop their expertise in promoting global health equity and fighting medical misinformation — skills that are urgently needed to address the health challenges and disparities the world faces today. Applications are due **TODAY, January 21, 2025**. [Click here to learn more and apply.](#)

24: Deadline to submit applications to the National Dissertation Award for Research on Poverty and Economic Mobility is **Friday, January 24, 2025**. The [Institute for Research on Poverty \(IRP\)](#) at the University of Wisconsin–Madison invites applications from dissertators who are from groups that are underrepresented in academia for its 2025–2026 National Dissertation Award for Research on Poverty and Economic Mobility program. IRP has established this award to support an outstanding dissertation project that explores issues of poverty, inequality, and economic mobility in human

can be used to cover items including tuition, stipend, data acquisition (e.g., data access fees, purchase of data sets, collection of qualitative data, etc.), research assistance, subject payments (including compensating community members or others with lived experience who consult on the project), travel (for data collection or access or to attend a research conference), and supplies. [Click here to learn more and apply.](#)

24: Deadline to submit breakout sessions and poster proposals for UW–Madison's Teaching and Learning Symposium is **Friday, January 24, 2025**. The 2025 Teaching & Learning Symposium will share effective practices and spark discussion about the opportunities and challenges that lie ahead. They are seeking proposals for engaging presentations and posters that spotlight learning across campus. Proposals should specifically address one or more of the following topics within the theme “Engage and Inspire: The New College Classroom.” The symposium will be held in person on May 15, 2025, at Union South from 8:30am to 4pm. [Click here to learn more and submit a proposal.](#)

27: Deadline to submit nominations for the 2025 Wisconsin Idea Seminar is **Monday, January 27, 2025**. The 2025 Wisconsin Idea Seminar is set to run May 12–16, 2025. Because nominations for this program require Dean's Office approval, there are some CALS-specific guidelines to follow. Specifically: In addition to the full nomination form required by campus, please also provide a short paragraph describing how the experience will benefit the nominee. Please send both the full nomination form and the short paragraph to [Tara Darga](#) by email or interdepartmental mail. [Click here to learn more and apply.](#)

31: The Gates Foundation and LifeArc have launched a joint Grand Challenges request for proposals, *"Innovations for Exceptionally Low-Cost Monoclonal Antibody (mAb) Manufacturing"*. While the organizations will employ a coordinated review process, individual grants will be funded either by the Gates Foundation or by LifeArc. Applications for proof-of-concept projects (Option A) are due by **11:30am PST on Friday, January 31, 2025**. Please review the full details for both opportunities on their [Grand Challenges website](#). They are eager to receive as many proposals as possible.

31: [Howard University's Center on Race and Wealth \(CRW\)](#) and the [Institute for Research on Poverty \(IRP\) at the University of Wisconsin–Madison](#) seek applications for their Graduate Student Research Workshop on Poverty and Economic Mobility. This week-long workshop, held at Howard University in Washington, DC, is aimed at pre-proposal doctoral students in the social sciences studying topics related to poverty or inequality in the United States who are from disadvantaged backgrounds. Applications are due **Friday, January 31, 2025**. The workshop offers intensive training and mentorship to help attendees expand their skills, knowledge, and resources needed to prepare an effective dissertation proposal centered on policy-relevant, actionable research that will inform human services and economic mobility policies. The workshop will be led by faculty from Howard University and IRP affiliates. Students will set and accomplish daily goals, participate in group lectures, work individually and in small groups, and consult with workshop mentors. [Click here to learn more and apply.](#)

31: Deadline to register for Badger Volunteers is **Friday, Jan 31, 2025**. Badger Volunteers (BV) is a semester-long program (11-week commitment) that pairs teams of students with community organizations to volunteer 1 to 4 hours each

community partners and students over the course of an entire semester. Students can only register online

at go.wisc.edu/bv.

FEBRUARY

9: Deadline to submit final proposals to the Wisconsin Idea Fellowship is **Sunday, February 9**. Priority Deadline applicants must RESUBMIT their proposals. Late proposals will not be accepted. Applicants who choose to submit after the priority deadline will not be penalized, but they will not receive feedback on proposals prior to final evaluation. The Wisconsin Idea is the driving mission to ensure that the education and research at UW–Madison is used to benefit communities beyond our campus borders. Wisconsin Idea Fellowships are awarded annually to undergraduate student projects working towards addressing a challenge identified along with a local or global community partner. Fellowships are awarded to semester-long or year-long projects designed by an undergraduate student (or group of students) in collaboration with a community organization and a UW–Madison faculty or academic staff member. [Click here to learn more and apply.](#)

10: Deadline to submit proposals for the 2025 Collaborative Health Sciences Program is **Monday, February 10**. Through the Collaborative Health Sciences Program (CHSP), the Partnership Education and Research Committee (PERC) supports interdisciplinary team science to advance novel research or education approaches that bring together different disciplines to target complex health problems while advancing health, health care or health equity in Wisconsin and beyond. Proposals must be led by a collaborative team composed of a Principal Investigator and one or two Co-Principal Investigators from two or more of the following disciplines: basic, clinical, education, informatics/data, population, social/behavioral, and/or translational sciences. [Click here to learn more and submit a proposal.](#)

10: Deadline to submit applications to the HEX-U program for undergraduates is **Monday, February 10**. The HEX program provides participating students with training in community partnership, mentoring during project design and implementation, and professional development opportunities. Since 2005, HEX scholars have worked with over 125 community partners. (Applications for HEX (graduate students) run on a rolling basis.) [Click here to learn more and apply.](#)

12: Deadline to submit applications to the Holstrom Environmental Research Fellowship is **Wednesday, February 12**. The Holstrom Environmental Research Fellowship provides research training and support to undergraduates interested in environmental research. Students have the opportunity to undertake their own research project in collaboration with UW–Madison faculty or research/instructional academic staff. *Please Note: Graduate students are ineligible to serve as the project advisor.* Approximately four Holstrom awards are available each year. [Click here to learn more and apply.](#)

12: Deadline to submit applications to the Hilldale Undergraduate Faculty Research Fellowship is **Wednesday, February 12**. The Hilldale Undergraduate/Faculty Research Fellowship provides research training and support to undergraduates.

research/instructional academic staff. *Please Note: Graduate students are ineligible to serve as the project advisor.* Approximately 97 – 100 Hilldale awards are available each year. [Click here to learn more and apply.](#)

24: Deadline to submit applications to the Sophomore Research Fellowship is **Monday, February 24**. Funded by grants from the Brittingham Wisconsin Trust, the Kemper K. Knapp Bequest, and the Provost's Office, the Sophomore Research Fellowship provides research training and support to undergraduates. Students have the opportunity to undertake their own research project in collaboration with UW–Madison faculty or research/instructional academic staff. *Please Note: Graduate students are ineligible to serve as the project advisor.* Approximately 40 Sophomore Research Fellowships are available each year. [Click here to learn more and apply.](#)

AMBASSADOR JOHN E. LANGE SCHOLARSHIP FOR STUDY ABROAD IN AFRICA

\$7,500 scholarship to participate in a
UW–Madison semester study abroad program
in sub-Saharan Africa

Botswana · Ghana · Kenya · Rwanda · Senegal · South Africa · Tanzania

February 24. The Fund is intended to support undergraduate students studying abroad in Sub-Saharan Africa, including those who have an interest in global health. The purpose of this Fund is to support up to three undergraduate students per year who wish to study abroad in Sub-Saharan Africa through the University of Wisconsin's International Academic Programs Office. [Click here to learn more and apply.](#)

MARCH

1: Deadline to submit Student Engagement Grants is **Saturday, March 1**. Each year the Lakeshore Nature Preserve awards several Student Engagement Grants of up to \$1000 each to facilitate the use of the Preserve as a resource for education among UW undergraduates. Any student, faculty, or staff member at the UW–Madison may apply. Groups of individuals may submit a proposal as a team. Every individual or team must have at least one faculty or staff member, who is expected to play an active role in overseeing the project. [Click here to learn more and apply.](#)

2: Application deadline for the Henry Anderson III Graduate Awards at the UW–Madison Global Health Institute is March 2, at 11:59pm (CST). The Henry Anderson III Graduate Student Award in Environmental and Occupational Public Health from the Global Health Institute (GHI) supports UW-Madison graduate or health professional students interested in pursuing research in the areas of environmental and occupational public health—that is the study of the role of environmental or occupational factors as determinants of health (**See story above**). [Click here to learn more and apply.](#)

3: Deadline to nominate a mentor for the 'Awards for Mentoring Undergraduates In Research, Scholarly and Creative Activities' is **Monday, March 3, 2025**. The Office of the Provost offers awards to recognize the important role mentors play in fostering undergraduates' intellectual, personal and professional growth through participation in high-impact practices including research, scholarly and creative endeavors. These awards provide faculty members, groups of mentors, academic staff, post-doctoral fellows and graduate students with recognition for their excellence in mentoring undergraduates and their contribution to students' [Wisconsin Experience](#). [Click here to learn more and nominate.](#)

FOOD FOR THOUGHT ▼

+ ICYMI: From NPR: "For some children, buying a sugary drink for snack or lunch is part of their everyday routine at school. "There's advertising on TV, on videogames and on billboards," Aryeetey says. "So it's like in your face everywhere. In a sense, you become sort of helpless." This push for soda has brewed the "perfect storm," says Aryeetey, who's now a public health nutritionist at the University of Ghana." [Click here for the full story.](#)

+ ICYMI: From WHO: "Conflict, climate change, epidemics, and displacement are converging to create an unparalleled global health crisis, with 305 million people in urgent need of humanitarian assistance in 2025. In response, the World Health Organization (WHO) is calling for US \$1.5 billion for its [2025 Health Emergency Appeal \(HEA\)](#), to support life-saving health interventions worldwide." [Click here for the full story.](#)

+ ICYMI: From GHN: "The increasing number of hot days per year experienced worldwide has major implications. Some 6.3 billion people—78% of the world's population—experienced at least 31 days of extreme heat in the past 12 months, [per World](#)
