## FEBRUARY

**7:** Deadline to submit breakout session proposals to Showcase 2025 is **Friday, February 7**. The Office of Strategic Consulting's annual Showcase event will take place on Thursday, April 17, and is designed to foster a culture of continuous improvement and organizational excellence at UW–Madison. It offers an opportunity for colleagues from across campus to share best practices, learn from each other's successes, and connect. If you have a new approach,

---

your own experience, they encourage you to complete a proposal to present at Showcase. [Click here to learn more and apply.](#)

**9:** Deadline to submit final proposals to the Wisconsin Idea Fellowship is **Sunday, February 9**. Priority Deadline applicants must RESUBMIT their proposals. Late proposals will not be accepted. Applicants who choose to submit after the priority deadline will not be penalized, but they will not receive feedback on proposals prior to final evaluation. The Wisconsin Idea is the driving mission to ensure that the education and research at UW–Madison is used to benefit communities beyond our campus borders. Wisconsin Idea Fellowships are awarded annually to undergraduate student projects working towards addressing a challenge identified along with a local or global community partner. Fellowships are awarded to semester-long or year-long projects designed by an undergraduate student (or group of students) in collaboration with a community organization and a UW–Madison faculty or academic staff member. [Click here to learn more and apply.](#)

**10:** Deadline to submit proposals for the 2025 Collaborative Health Sciences Program is **Monday, February 10**. Through the Collaborative Health Sciences Program (CHSP), the Partnership Education and Research Committee (PERC) supports interdisciplinary team science to advance novel research or education approaches that bring together different disciplines to target complex health problems while advancing health, health care or health equity in Wisconsin and beyond. Proposals must be led by a collaborative team composed of a Principal Investigator and one or two Co-Principal Investigators from two or more of the following disciplines: basic, clinical, education, informatics/data, population, social/behavioral, and/or translational sciences. [Click here to learn more and submit a proposal.](#)

**10:** Deadline to submit applications to the HEX-U program for undergraduates is **Monday, February 10**. The HEX program provides participating students with training in community partnership, mentoring during project design and implementation, and professional development opportunities. Since 2005, HEX scholars have worked with over 125 community partners. (Applications for HEX (graduate students) run on a rolling basis.) [Click here to learn more and apply.](#)

**12:** Deadline to submit applications to the Holstrom Environmental Research Fellowship is **Wednesday, February 12**. The Holstrom Environmental Research Fellowship provides research training and support to undergraduates interested in environmental research.
